

Ralph uses a PowerPoint presentation to supplement and support his Keynotes and Workshops. As such, the following list of items are necessary:

Ralph Peterson AV Needs

- Small table on stage to hold props
- Microphone - Handheld (to use during audience interaction) AND cordless lavalier microphone is preferred.

Audio/Visual Aids

- LCD Projector and Screen (Note: If possible, screens should be off to the sides rather than stage center.)
- Handheld remote
- Cables/ connectors to fit Apple Mac laptop

Sound Check

Ralph likes to do a brief sound check prior to his program to verify sound quality and check AV.
